

Dear Members,

[Meeting on Tuesday 19 July 2022– 10.30 hrs. Doors open at 09.45 hrs](#)

**Woodlands Centre** - Guests are welcome. We charge a fee of £7.

Finally we will have our lecture on Chagall, postponed from May. I am sure you all know that one of his stained-glass windows can be admired in Chichester Cathedral. On Tuesday you can find out more about this window and others and next year we hope to have a tour of the Cathedral, inspired by Chagall's work.

**Raffle:** The book 'Chagall' by Ines Schlenker. £1 per ticket  
This engaging examination of the artist and his life features stunning full- page illustrations of Chagall's works, along with illuminating biographical details.

[July's Lecture: The Stained Glass Windows of Marc Chagall](#)  
["A transparent partition between my heart and the heart of the world"](#)  
[by Monica Bohm-Duchen](#)

**Monica** is an independent writer, lecturer & exhibition organizer, who has lectured on a part-time basis at Birkbeck College since 2004. The other institutions for which she has worked include Tate, the National Gallery, the Royal Academy of Arts, Sotheby's Institute of Art and the Courtauld Institute.

Chagall's first experiments with the medium of stained glass came in the late 1950's, when he was already in his seventies and well-established as one of the grand old men of modern art. It remains, however, a little-known aspect of his prodigious output. The lecturer, author of several books and essays on Chagall, will examine the range of his deeply original work in this challenging medium – not only for churches, large and small, around the world, but for a synagogue and several secular buildings as well.

[RECENT VISITS](#)

**22 June 2022:** We visited *Philip Jackson's Studio and Garden*.

What a treat! An introduction in his Studio with slides, while being surrounded by maquettes of his work. All questions answered. And then a sumptuous spread of various home baked cakes and coffee, followed by a stroll around the gardens and pond, to admire a large selection of further sculptures. You can find feedback on the website.

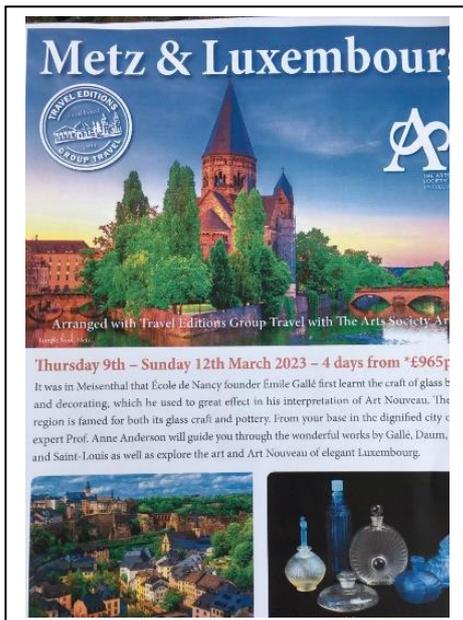

**11 July 2022:** *Guided Walk in Midhurst by Frances Farrer-Brown*

Once again our walk-about with Frances took place on one of the hottest days of the year. We met up in the Olive and Vine where Frances started her introduction. A gentle walk round the town followed, with frequent stops in shady places. More pictures can be found on the website.

## LOOKING FORWARD TO 2023

**We have a holiday for you!** Our Society has teamed up with Travel Editions Group Travel and are offering you a 4-day holiday in Metz and Luxemburg.

### Metz & Luxemburg 9-12 March 2023

With Eurostar and TGV from St Pancras to Metz via Paris. 3 nights B&B at the four-star Novotel Metz Centre. £965 pp based on two people sharing. £150 single supplement. As it will be an early start in London, we are looking into the possibility of arranging for a minibus to transport us to St Pancras station.

Our guide is well-known to you: Prof Anne Anderson, who lectured at our last Day of Special Interest and made it a day to remember with her enthusiasm and incredible knowledge.

Included:

- Two lectures at the hotel by Anne
- Two dinners with wine at local restaurants
- Transfers overseas, tours and entrance fees

The full details will be listed on our website. We have some leaflets and booking forms available. If you are interested, see one of the committee members at the meeting. We have an option on places until end September after which the remaining seats will be offered to the general public.

These tours are not the cheapest but so well organised and packed with interest that they tend to sell quickly. **The lockdowns are in the past, spoil yourselves, do not miss out!**

### We still need your help!

Several members have offered help but do not want to come on the committee. We have a couple of 'vacancies' which we feel could be taken care of by non-committee members.

**Visits:** At the moment taken care of by Pat King and your Chair. It's fun, easy, and not very time-consuming. Our members appreciate the outings organised for them. It is also a very good way to get to know your fellow members better.

**Arts Volunteering**: Anyone interested in bringing the Arts to the general public, schools, help with special projects in the local community. We have a yearly budget of £250 to spend on this. This again could be done by one or more people, just by liaising with us, no need to be on the committee. Let us know (see above) if you want to know more.

I hope to see many of you next week.
