'Trading Boundaries'

Special Interest Day at The Arts Society Wealden Heathfield, Thursday 19th April.

Both look to be very interesting programmes and further details are available on our website, in Events 2024.

Reflections in Metal and Glass Exhibition at Colonnade House, Worthing, on Tuesday 6th - Sunday 11th February, from 10.00 - 17.00 each day. This is a joint exhibition by Steve Rickman and one of our newer members, Kate Mercy. Kate is a glass fusing artist, while Steve works with metal. Some of their individual work will be on display, as well as collaborative pieces made jointly. Kate would be delighted to see TASA members at what sounds like an enjoyable and fascinating display. More details are available on her website www.katemeracy.co.uk.

West Sussex Fire & Rescue Service have launched a new fundraising initiative in aid of The Fire Fighters Charity,

They have 25 decommissioned firefighter helmets that they are looking to have transformed by local artists into statement pieces, which will then be auctioned off in aid of The Fire Fighters Charity, following an exhibition at Worthing Town Hall.
