Dear Denise, Margaret and the Arts Society

Community Grant

I write to thank you so very much for your extremely kind donation to the Littlehampton Child Contact Centre.

We provide a safe, friendly and neutral place where children on separated families are able to spend time with one or both parents, and even other family members. We are the only contact centre in the area that provides this service at no cost at all as we are all run completely by volunteers at every level, relying on grants and donations.

We often find that parents who do not see their child very often struggle to engage with them. Your donation will mean that each child that comes to our centre will be given a personalised bag of art materials for them to make, create and use their imagination together. Giving them a common interest with which to strengthen the bond between them.

I will send photos of the creations that they come up with.

Many thanks

Jackie Roberts  
Co-ordinator
