**STANDEN HOUSE and GARDEN**

**West Hoathly Road  
East Grinstead  
West Sussex, RH19 4NE**

James and Margaret Beale chose an idyllic location with views across the Sussex countryside for their rural retreat. Designed by Philip Webb in 1891, the house is one of the finest examples of Arts and Crafts workmanship, with Morris & Co. interiors creating a warm and welcoming atmosphere.

The collection reflects the creativity and taste of its various owners, and features items designed by leading late 19th century artists and craftspeople.

The house is dressed for a weekend stay in 1925, so you can imagine you are a guest of the family.

A major restoration of the 5-hectare (12-acre) hillside garden showcases year-round seasonal highlights and an award-winning plant collection.
